CYBER SECURITY

Who we are

Established in 1987, McGregor Boyall is a global recruitment consultancy providing permanent and contract / interim professionals across a wide variety of disciplines. Headquartered in the City of London, and with further offices throughout the UK (Manchester, Birmingham, Edinburgh, Glasgow) as well as globally in Dubai and Singapore we are able to offer recruitment solutions throughout the Asia Pacific, UK & Europe and Middle East regions.

Since our inception we have built an unrivalled reputation for helping organisations recruit the very best talent to ensure that they realise their business and operational objectives. Our main focus is to identify, attract and deliver high-quality professionals who can support and enhance their new employer's corporate objectives. We have a proven track record of recruiting across a wide range of sectors as demonstrated through our specialisms.

What we do in Cyber Security

Our Cyber Security Practice specialises in delivering top talent across all industry sectors on both a permanent and interim basis. We understand that the Cyber security market is highly demanding and finding candidates with the right skill set can be extremely challenging. We have a strong track record of successfully placing cyber security candidates into clients across all sectors including Government, Consultancy, Defence, Financial Services, Telecoms, Engineering and Energy. We recruit for the full range of positions in Cyber Security, including (but not limited to):

Head of Cyber Security	Security Architects
Cyber Security Managers	Security Consultants
SOC Analysts	Incident Response
Penetration Testers	Network Security Engineers
Cyber Security Analysts	Threat Analysts
System Security Admins	Security Support Engineers

Recent Successes
